SECTION 6
FIRST REVISED SHEET 30
CANCELS ORIGINAL SHEET 30

ISSUED: JULY 13, 2012
EFFECTIVE: JULY 14, 2012
CAROL PAULSEN, DIRECTOR

6. SUPPLEMENTAL SERVICES

6.10 Non-Recurring Charges

6.10.6 Record Order Charge

A Record Order Charge is applied to existing Local Service Customers who initiated a change to their billing records, including but not limited to a suspension of services, change in mailing address of billing party, change in name of billing party, or an addition or change of IntralATA calling plan services. Changes to such information will be charged a record order charge on a per request basis.

6.10.7 Change Order Charge

A Change Order Charge applies when a Customer requests for a change in its telecommunications services after the initial installation. The Change Order Charge applies on a per change basis.

6.10.8 Expedite Order Charge

An Expedite Order Charge applies when a Customer requests for installation in less than the Company standard of 30 days (from date of order to commencement of service). The Expedite Order Charge applies on a per expedite order basis.

6.10.9 Primary Interexchange Carrier (PIC) Change Charge

A PIC Change Charge is a non-recurring charge. It applies to existing Local Service Customers who request a change in their PIC designation for pre-subscription of IntralATA service. The charge is applied on a per-line or per-trunk basis. When both the IntralATA and InterLATA designation is changed at the same time, only one PIC change charge applies.

The PIC Change Charge applies to the following services contained in this tariff: PrimePath Lines and Trunks, Prime Digital Trunks, Integrated Prime Digital Trunks, Integrated PrimePath Lines and Trunks, Integrated PrimePath NBX, PrimePath NBX and PrimeNBX. (C) (C)

See the Price List for PIC Change Charge.

ISSUED: JULY 13, 2012
EFFECTIVE: JULY 14, 2012
CAROL PAULSEN, DIRECTOR

10. PRIMEPATH SERVICE

10.7 PrimePath Easy Rate

PrimePath Easy Rate is a business line package that includes PrimePath business lines with unlimited local usage, Touch Tone, and a set of optional features for a single monthly recurring price. PrimePath Easy Rate is limited to PrimePath analog business lines. This plan is not available on PrimePath Key Lines, PrimePath Trunks, Prime Digital Trunks, PrimeXpress, PrimePlex, PrimeConnect, Integrated Access, AT&T ACCU-Ring, AT&T UltraAvailable Ring, DEF, or any other local service offering.

(C)

Customers must meet the following eligibility criteria and adhere to the restrictions in order to qualify for and maintain PrimePath Easy Rate Service:

- 1) Customers must agree to purchase a minimum of 100 PrimePath Easy Rate lines and must sign a PrimePath Easy Rate Certification Form identifying each location and telephone number that will be subscribed to the offer.
- 2) PrimePath Easy Rate lines may all be in one location or may be distributed across multiple locations where this service is available.
- 3) A customer's PrimePath Easy Rate lines can not be ordered or provisioned at the same location (service address) as the same customer's PrimePath Standard lines, if any.
- 4) A customer's PrimePath Easy Rate charges can not be billed on the same account as the same customer's PrimePath Standard lines, if any.
- 5) Customers that commit to a term plan for PrimePath Easy Rate must maintain all lines on the plan for the duration of the term, and are subject to a minimum retention period equal to the term commitment.

Customers with existing PrimePath Standard lines may change those lines to PrimePath Easy Rate and may add or move features as long as all above listed criteria is met. The non-recurring Service Order Charges and any Feature Change Charges (associated with features included in the PrimePath Easy Rate offer) will be waived at the time of the change from PrimePath Standard lines to PrimePath Easy Rate. Future changes will result in the billing of standard non-recurring charges as listed in this tariff.
